NOTES

1. All lots within this plat are subject to public easements for drainage purposes which shall be a minimum of 5 feet in width measured from the property line to the interior of each lot except that the easements shall be 10 feet in width on the perimeter of the plat. For purposes of two (2) or more lots combined for a single development site, or where two (2) or more lots have a shared driveway agreement, the public easement for drainage purposes shall be a minimum of five (5) feet in width and shall be measured only from the exterior property lines of the combined lots that create a single development site, or have a shared width along the perimeter of the plat. Easements shall not be required on property lines shared with greenways or public streets. No buildings, driveways, or retaining walls shall be placed in any easement for drainage purposes. Fences may be placed in the easement only if they do not impede the anticipated flow of water. Note: In the event of a City of Madison Plan Commission and/or Common Council approved redistricting of a previously subdivided property, the underlying public easements for drainage purposes are released and replaced by those required and created by the current approved subdivision.
2. The intra-block drainage easements shall be graded with the construction of each principal structure in accordance with the approved Stormwater Drainage Plan on file with the City Engineer and the Zoning Administrator, as amended in accordance with the Madison General Ordinances.
3. Lots within this subdivision are subject to impact fees that are due and payable at the time of issuance of building permits.
4. Suball information indicates that easements of structures within the plat may encounter bedrock. The subsurface conditions report, dated May 10, 2002, is on file with the City Engineer.
5. This subdivision is subject to the inclusionary zoning sections of Chapter 28 of the Madison General Ordinances. This requirement shall be satisfied by a separate recorded restriction.
6. This plat is subject to the following recorded instruments:
 - a. Declaration of Protective Covenants, Conditions and Restrictions recorded as Document No. 4140102 and amendments to said document recorded as Document No. 4150823, 4180132, 4192102 and 4459804.
